The Match for Africa 3

A tennis highlight to end the season: The Match for Africa 3 for the benefit of the Roger Federer Foundation, November 22, 2016, Hallenstadion Zurich.

Zurich, June 30, 2016 – The Roger Federer Foundation is pleased to announce “The Match for Africa 3” to be held on **Tuesday, November 22, 2016**. Roger, who has won 17 Grand Slam titles, will swing his racket for the 3rd time to benefit his foundation in Zurich's Hallenstadion. In 2010, he played against Rafael Nadal. In 2014, he was up against Stan Wawrinka. Roger’s opponent in this year’s charity tennis event will be announced later this summer and will be another top world-class player. “Each Match for Africa has been fantastic. I am looking forward to playing in front of my fans once again to help raise money for those less fortunate,” said Roger. Tickets for the Exhibition Night, which will feature a great entertainment program in addition to the main event, will be available on Ticketcorner starting in late August.

For more than twelve years the Roger Federer Foundation has been engaging in education programs for children living in poverty in Africa and Switzerland. It only works with carefully selected local organizations in long-term partnerships and seeks to bring about systemic change and have a sustainable impact. The Foundation aims therefore to enable and empower the local population to assume responsibility for finding solutions to problems while also determining the content, organization and finances of these solutions. There are currently 15 programs in 2016 running in Botswana, Malawi, Namibia, South Africa, Zambia, Zimbabwe and in Switzerland for a total of approximately CHF 6.5 million reaching 275,000 children.
